PHARMACY PRACTICE RESEARCH DISCUSSION DAY

The IIOP is pleased to host an open conversation day about Pharmacy Practice Research

The event is open to all pharmacists and academics interested in research relating to aspects of pharmacy which impact on patient outcomes.

This event aims to;

- Create a networking opportunity for pharmacists interested in pharmacy practice research
- Provide an opportunity for sharing and discussion of ongoing pharmacy practice research opportunities and challenges
- Identify and enhance collaborations within pharmacy practice research in Ireland.

The Event will also include;

- Presentations relating to health service requirements and practicalities of pharmacy practice research
- A workshop to explore how the pharmacy practice research interest group could evolve to support pharmacy practice research in Ireland
- Dedicated time for attendees to present their pharmacy practice research interests and to hear about the research interests of their pharmacy colleagues

Date: 29/11/2018

Time: 10:00 - 17:00

Venue: Hotel Riu Plaza The Gresham Dublin

This inclusive day-long event is open to all pharmacists, and researchers. Attendance is encouraged for those already working in the area and for those who would be interested in becoming involved.

To Register for this event please visit the IIOP website
